

# Instructions for v3 Site License

Thank you for your purchase of a scoreboard from PC Scoreboards. Enclosed please find your USB site license key which will provide complete portability of your scoreboard license.

## Before first use:

The enclosed USB license key needs to be activated before use. Follow the steps below to activate:

1. Go to [www.pcscoreboards.com/UpdateUsbKey](http://www.pcscoreboards.com/UpdateUsbKey)
2. Download and install the USB License Key Updater.
3. Run the USB License Key Updater program.
  - The program will ask you to plug in your USB license key.
4. Plug your USB license key into the computer running the USB License Key Updater program.
  - The program will tell you that your USB license key is ready to be activated.
5. Click the "Activate USB License Key" button.
6. Enter the email address that was used to purchase the scoreboard.
7. Click the "Activate" button.
  - If you entered the correct email address, you will see a message that your USB license key was successfully activated; click "OK".
8. You can now use the program you purchased.

## Directions for use:

1. Download the purchased scoreboard from [www.pcscoreboards.com](http://www.pcscoreboards.com) to all of the computers you will use the scoreboard on.
2. Install the purchased scoreboard on each computer.
3. Each day the scoreboards will be used:
  - a. Start the scoreboard on the first computer.
  - b. When prompted for the USB license key, plug the USB license key into any available USB port.
  - c. Once the USB license key is recognized a message will display that "The USB key that you inserted is licensed for this program".
  - d. Dismiss the message by clicking OK.
  - e. The Licensed screen will now display that "You are licensed through ... (1 day(s) remaining)".
  - f. Click "Run".
  - g. Remove the USB license key.
  - h. Repeat the above steps for each computer that will be used for the day.

**Note:** You must repeat "Directions for use" at the beginning of each day of scoreboard use. Failure to re-license each computer each day will result in the unlicensed notice appearing every few minutes. Inserting the USB license key while the unlicensed notice is displayed will license the computer for the remainder of the day, remove the unlicensed notice and prevent it from displaying again until the next day of use.

Thanks again for choosing PC Scoreboards.
